

San Luis Obispo Christian School

Laying Foundations That Last A Lifetime

Dear SLOCS Families,

It was in 2007 that I landed my third job before moving over to the Central Coast. They say “the third time is a charm.” The Lord made me a believer!

It was at Country Christian School’s staff retreat in March of that year that God gave me this scripture -- “The Lord will fulfill His purpose for me: your love, O Lord endures forever. Do not abandon the works of your hands.” (Psalms 138:8) Before I delved into the Bible study at the retreat, I was asked what I would like for the Lord to reveal to me that weekend. Until the Lord led me to this scripture, I had no idea that I wanted Him to use me and to restore in me a passion for my work.

I was extremely fortunate to have had experienced a purpose-driven life while working twenty-two years at Country Christian School in Bakersfield. God gave me an opportunity to help see the vision of that school completed. With that, and the desire to move over to the coast to be closer to my family, God’s Divine Hand brought me to San Luis Obispo Christian School.

It was at my first interview with your Board that I fell in love with your school; and, as I met the staff, I knew this was home for me. Their love for the Lord and their commitment to the school should be commended. We are very lucky to have them on our team.

God has blessed me more than I could ever imagine by bringing me here. He is fulfilling the scripture He gave me that March. He restored in me a passion for the work which needs to be done here at San Luis Obispo Christian School, and for the Christian school community of SLO.

I am honored and humbled that God has entrusted me with the vision of San Luis Obispo Christian School. I am blessed to be a part of your family; and it is my fervent prayer that God will help me see the vision of your school completed as well!

Faithfully Serving Him,

Mrs. Jonell Griffith
