

Ebenezer Sponsorship Program

At San Luis Obispo Christian School we know that the education of a son or daughter is of the highest priority for parents. Our mission is to glorify God by providing a quality educational experience for children in the San Luis Obispo County community, uniquely Christian in its approach, values, methods, and philosophy. We are committed to providing Christ-centered education, promoting excellence through His Holy Spirit.

Our staff works tirelessly to educate scholars, disciple students, and build community. We believe in what we are doing, and we want every child to have the opportunity to be a part of our school family.

We strive to keep our prices as minimal as possible while still providing the best quality education and staff. However, during these hard economic times, the freedom for school choice becomes harder to accomplish.

The Ebenezer Sponsorship Program's mission is to provide tuition assistance to families that would not otherwise be able to afford an education at San Luis Obispo Christian School.

By financially partnering with us, we can provide scholarships that will make Christian Education a reality to anyone who desires it. We never want money to come in the way of giving our children the very best. If you would like to be a part of this ministry, please fill out the attached commitment card.

"Understanding their goal of opening their doors to anybody who has a desire to learn in this loving, Christ-centered school without financial restrictions, shows once again that their main focus and priority is for the spiritual growth of these children. Without the school's willingness to work with us financially as a single income home, we would never be able to fulfill our desire to have our children attend school there. Knowing how much love and prayer is poured into each student and family represented in this school is a daily reminder of God's provision and blessing upon this family by giving us a school like SLOCS."

“We support San Luis Obispo Christian School's Ebenezer Sponsorship Program because we've experienced first-hand what an impact it can have in the life of a child and a family. We were fortunate to be able to have our kids attend SLOCS, and as much as we sensed it was where they should be as they first entered kindergarten, it is only as the youngest finished up sixth grade that we began to know the full impact and truly saw the strong foundation that was laid. And even years later, it is wonderfully apparent that the Christ-centered education our kids had will be a life-long blessing. Because of this personal experience, and the trust and confidence we have in the godly leadership of the board of directors and staff, that we feel it a privilege to help in a small way to provide the same blessing and foundation for other children who otherwise wouldn't have Christian Education as an option.”
